

## SHIPPING INSURANCE AGREEMENT FORM

Please choose the option below that best suit your company needs by completing this form and returning it to Nuimpact's credit department or to your account representative otherwise Nuimpact will charge insurance through the common carriers such as UPS, FedEx or DHL.

**Option 1: Common Carriers**

You acknowledge and allow Nuimpact Corporation to insure all shipment of product through common carriers such as DHL, UPS, or Federal Express insurance programs. Insurance charges will be included in the shipping charges found on your invoice.

**Option 2: No Insurance is required**

You acknowledge that you will not need any shipping insurance and accept to take full responsibility for all shipments if lost, damaged, and stolen or do not arrive at the designation location as scheduled and you understand that you will remain accountable for paying the invoices according to the specified invoice terms.

Any changes affecting the shipment insurance must be made in writing to Nuimpact Corporation as Nuimpact will not be held liable for any shipment not insured due to notification failure. Without your specific mention of shipment request above, we will automatically use the common carrier's insurance policy by default.
